Re: **Announcing a 5th Quarter Option for Varsity Games**

With many teams having to shut down their JV teams this season, OHSLA and OLOA have developed a 5th Quarter option for clubs **without a JV team**. This will allow coaches to run an extra (fifth) quarter that is non-counting to give your less experienced players an opportunity to gain some valuable playing time outside of the regulation 4 quarter game.

Here is how it works:

1. You must submit your 5th Quarter Request through the Game Change Request (GCR) process. On your team page where you would submit a GCR to add or modify a game, you will now see a 5 Quarter Check Box sandwiched between the existing check boxes indicating a conference game or playoff game. Click on the 5 Quarter check box to initiate.
2. The use of a 5th Quarter option is only applicable for games that are NOT preceded by a JV game. The use of a 5th Quarter is only for clubs that are not running a JV team this season.
3. If modifying an existing game via GCR, requesting a 5th quarter must be submitted at least 24 hours in advance of your scheduled game and is subject to final approval of the assigning official to ensure referees are available to stay for the 5th quarter.
4. When playing 5 quarters, the official game will end following completion of regulation play at the end of the 4th quarter. Please post only the score at the end of regulation play via the normal Game Score Reporting (GSR) process. Scoring in the 5th quarter does not count towards the official game.
5. No teams shall play a 5th quarter off book. Referees must be available and present. This is to help ensure player safety and game management. All 5th quarter play must be approved through the league's GCR process when requesting a new game or modifying an existing game.
6. PLEASE BE AWARE THAT GAME FEES FOR THE 5TH QUARTER WILL BE INCURRED BY THE HOME TEAM AND WILL BE ASSESSED AT 25% OF THE REGULAR GAME FEE COST.

We hope this 5th Quarter option will allow some much needed player development and help maintain interest in the game of lacrosse for your less experienced players who may not otherwise get much playing time in the absence of a JV team.
